Note 1: The diamonds in the product are graded as loose diamonds prior to mounting them in the product.

Note 2: The grading of diamonds mentioned hereafter is based on stringent norms laid down by Titan Company Limited (hereinafter referred to as "Tanishq") for sorting, inspection and selection of diamonds, which is carried out by highly trained personnel. This grading is based on the application of grading, testing, examination and analysis techniques and equipment available to and used by Tanishq at the time of grading. The results of grading, testing, examination or analysis performed by others may differ depending upon when, how and by whom the diamond is graded, tested, examined and/or analysed, and may differ in the future as a result of changes and improvements in techniques and equipment. The employees, associates and agents of Tanishq shall not be liable for any loss, damage, expense or consequential damages caused by any error in, or omission from this certificate, or from the issuance or use of this certificate. This certificate makes no representation on behalf of the Gemological Institute of America. This certificate may not be reproduced and or used in whole or in part without the prior written consent of Tanishq.

Note 3: In case of Navrathna products, Synthetic Corals have been used.
